I understand that issuance of a permit by Santa Cruz Environmental Health Service implies no guarantee of septic system function. Any subsequent septic system failure will require the owner to have the septic tank pumped and make repairs as necessary to confine sewage below ground surface. I hereby acknowledge that I have read this application and the instructions on the reverse side, and state that the formation on this page and the following page is correct, and agree to comply with all County Ordinances and State laws regulating construction of private sewage disposal systems.

Incomplete application for sewage disposal permits will become null and void if all required information is not submitted within one year of date of application. I understand that this permit shall expire: in 24 months after approval if a building permit is not applied for in that time period.

I agree to comply with additional conditions which may be imposed by Staff as listed on the following page to ensure that the system meets standards.

I agree to provide 24-hour notice directly to the Inspector during office hours the morning of the day before an inspection is requested.

I understand that County approval of the Sewage Disposal Permit does not constitute County approval of any illegal building or land use activities that may be present on this site.

I certify that the information contained in this application, particularly pertaining to bedrooms and uses on this site, is accurate.
